

PERSONNEL TRAINING AND EDUCATION

NOTICE
12.2

October 10, 2013

TO: All Commanding Officers

FROM: Director, Police Training and Education

SUBJECT: LAPD PURSUIT POLICY OVERVIEW 2013

It is mandated that ALL law enforcement officers in the State of California receive annual training on pursuit policy as a condition of immunity from civil liability resulting from vehicle pursuits. In order to satisfy the training mandate, sworn personnel must view the annual update titled, "LAPD Vehicle Pursuit Policy Overview 2013," that is now on the Department's Learning Management System (LMS). Upon completion, officers must print and fill out the Training Attestation Form and turn it in to their training coordinator. Failure to complete the training and the attestation form may expose officers to unnecessary litigation should they become involved in a pursuit.

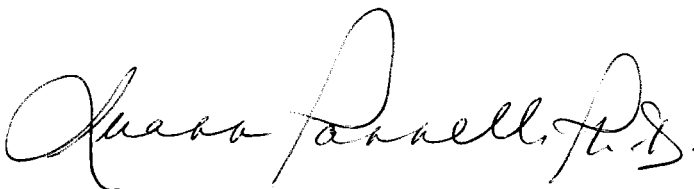

Area/Division Training Coordinators shall:

- Ensure personnel complete the pursuit policy training by November 15, 2013
- Maintain all completed Pursuit Policy Training Attestation forms, which are subject to audit by Training Division personnel
- Report compliance to the Bureau Training Coordinator by November 22, 2013
- Submit a follow-up report to the Bureau Training Coordinator by December 13, 2013, detailing compliance and the plan for any make-up training

Bureau Training Coordinators shall:

- Report the compliance of their respective Areas/Divisions to Senior Management Analyst Alex Nuño, Police Training and Education (PTE), by December 20, 2013, and include a plan for any make-up training.

If you have any questions concerning this matter, please contact Senior Management Analyst Alex Nuño, PTE, at (213) 486-7057.
